Orinda Still Awaits Report from Sheriff

By POLITICUS

About five and a half weeks ago Sheriff John Long asked to appear before the Board of Directors of the Orinda Association to discuss law enforcement in the unincorporated areas of the county. His office is responsible for police protection.

April 24 the meeting was held in the Orinda School. The outcome showed promise. Sheriff Long promised to study the directors' proposal for improving police protection in unincorporated communities.

The recommendation was to establish a traffic division of the sheriff's office, similar to that in Los Angeles County.

Orinda Association President Marvin Bonds, who presented the idea, said, "Why not set up a traffic division in the sheriff's office with 10 to 12 men. We know they couldn't cover the county all the time. But they could work as a sort of flying squad to hit Orinda and other unincorporated spots one at a time. They could work it thoroughly and impress obedience to traffic laws on the driving public."

The squads could move in and out of areas all over the county, Bonds pointed out.

After lengthy discussion, Sheriff Long said, "Maybe this is the solution."

He then promised to report back to the board in "10 days or 2 weeks."

It is now almost five weeks since that meeting.

SILENCE

No word has been heard from the Sheriff, who is now up for reelection.

At the latest, the Directors expected a report from him at last Monday night's meeting—4 weeks after the promise. But nothing was forthcoming, so Bonds was appointed to call Long.

Observers are wondering obviously Long came to Orinda to mend his political fences. (Remember the recent Association poll showed that of 731 persons answering, only 13 considered the sheriff's policing protection as good. 274 said "satisfactory" and 433 as "poor.")

These same observers give Long credit for being a darn good politician—but now are not too sure.

Pressure Boys Are At Us Once Again

The SUN is highly pleased when political or other groups deem it advisable to exert "pressure" on us.

We also take pleasure in reporting such situations to our readers.

Last week the backers of Fred Howser for Attorney General decided to put some direct and indirect pressure on this newspaper.

One of Howser's campaign managers called us, talked about some Howser political advertising and then asked "How come the SUN is opposing Howser's reelection?"

A couple of days later a local advertiser asked us what we have against Howser. He then revealed that some of Howser's backers asked him to bring some pressure on this newspaper.

(The local man, who is a friend of ours, laughed, "I hereby am pressurizing you.")

For our answer to Howser, please turn to the editorial page.

Association Asks Official Aid for Scouts

Among other matters considered at the Monday night meeting of the Board of Directors of the Orinda Association was one to send a letter to Supervisor Jack Cummings recommending action be taken to notify owners to keep cattle from grazing on county property now used by the Boy Scouts for camporees.

The well on the property has become contaminated by the cattle.

Further action taken was decision to write County Assessor Justin Randall requesting information as to procedure to make the Community Center property in Eleemosinery District a recreational district and therefore free of taxation.

The Board added to the five recommendations of the Civic Affairs Committee for installation of traffic safeguards at the school.

They suggested as point 6 to recommend a traffic patrol at school on Saturday to take care of movie-going pedestrians and point 7, to remove the sign at the entrance to the school driveway that reads "Do Not Enter."

Last week the Association Committee recommended a painted crosswalk in front of the school, metal traffic warning signs in the two crosswalks (one walk now exists near the village), establish a safety patrol for morning traffic, the construction of a walk beside the highway to the village and to launch a safety program.

The Board considered at length the future of the Orinda News: To discontinue publication of it, to reduce it in size or to allow it to continue as long as it can pay its own way.

Directors voted to continue publication and to attempt to increase advertising revenue by accepting "outside Orinda advertising" as long as it is non-competitive to local stores.

Orinda Pandoras Seat New Chief

Mrs. Robert Powell of Lombardy Lane is the new President of the Pandora Chapter of the Children's Home Society.

Other officers are Mrs. Fred Repp, vice president; Mrs. G. M. Heinrich, secretary and Mrs. Roy Price, treasurer.

Mrs. Powell was introduced to the members of the Council of Chapters at a meeting and luncheon at the home of Mrs. Lex Jensen in Oakland yesterday.

Barbershoppers Will Parade June 3

Fourteen quartets are to highlight the second annual "Barbershop Quartet Parade" Saturday, June 3, at the Acalanes High School gymnasium at 8:15.

Clyde S. Bumgarner, chairman of the program, announced today that the program this year will be even more elaborate than last year.

Featured are the Crown City Four, Pasadena; the Camellia City Four, Sacramento; the Grant Union High Four; the Hearts Delighters and Men of Note, San Jose; the Forecasters, San Carlos; Three Sharps and a Flat and the Sunshine Four, Oakland; the Beachcombers, San Francisco; the Back Yard Birds, Martinez; the Crossroaders and the Tunesmiths, Orinda, and the Uncalled

DANCE COMMITTEE—Recently elected to the dance committee to handle arrangements for the Orinda Nursery School Association's annual gala affair are (left to right) Mrs. Phillip Thearle, Mrs. T. G. Cullen and Mrs. Robert Spott. The dinner-dance is to be held at Diablo Country Club tomorrow night.

Worden Heads Up C of C in Orinda

W. H. "Bill" Worden was elected president of the Orinda Chamber of Commerce at a meeting Monday night at Orinda School.

Other officers elected were Ewart Phair, vice president; Clarence Betz, secretary-treasurer; and John Stoffel, Stanley Allen, Al Eberlin, Leon Woolsey, Ramsey Underwood and Vance Reynolds, directors.

The policy decided on was to have the board of directors meet several times each month and a meeting of the general membership three or four times a year.

George Tyler was named to head the group to draft by-laws for the group, and a general membership drive was decided on. The first meeting of the board will be announced at a later date.

Orindans Asked To Royal Fete

Mr. and Mrs. Victor H. Graber of Valley View Road, Orinda, were among the invited guests at a reception given by the Queen mother Nazli and Princess Fathia at the Central Heights home of Egyptian Consul General Farik Eldin Saturday evening.

The young princess has been very much in the news of late because her brother, King Farouk of Egypt recently announced in Cairo that he had revoked his sister's title of princess, impounded her fortune and that of his mother because of the princess' April 25 marriage to Riad Ghali, a Christian commoner.

Nursery School Mothers Plan Annual Benefit

Preparations have been completed by the Orinda Nursery School mothers for their annual benefit, the Spring Informal Dinner Dance at Diablo Country Club Saturday.

This affair is given each year for the purpose of raising funds to purchase new play equipment for the school.

Mrs. George Rice, Jr., entertainment chairman, has been in charge of arrangements for the evening, with Mrs. Philip Thearle acting as ticket chairman.

COMMITTEE

The following members have served on the ticket committee: Mesdames Robert Spott, Thomas Cullen, Lyle York, Joseph Dirick, Kenneth Courtwright, Ritchie Smith, Joseph Navone, John Stahle, Hugh Lowther, Edward D. Pike, Jr., Dudley Nebeker, Robert Antonisen, Edmund S. Barnett and David Wallace.

A few tickets are still available, and may be obtained from any of the ticket committee, or by calling Mrs. Thearle at Orinda 2254.

Road Warnings Are Promised

In reply to a recent letter by the Orinda Association requesting safety measures be taken to aid motorists on the highway between El Toyonal and Loma Vista, Joseph W. Barkley, county surveyor of the County Road Commission requested information as to which specific intersection was under consideration by the Association.

He also informed them that arrangements had been made to place standard approach warning signs on each side of the intersection at the intersection of Valley View Drive and Moraga Boulevard.

The third item considered by the Association was the replacement of the stop sign at Brookside Road-Moraga Highway intersection. Barkley said this had been replaced.

Schools, Stores To Close Tues.

All public schools of the area will be closed Tuesday for the Memorial Day holiday. Regular classes will be held Monday and resumed again at the usual time Wednesday morning, officials advise.

Stores also will close.

Old Fashioned Political Rally Will Present Candidates at Orinda School

Lacking only a torch light parade and free soda pop, Wednesday night's Town Meeting at the Orinda Grammar School at 8 o'clock will offer all features of a good, old fashioned political rally.

Instead of the blarney of the town band, there should be plenty of noise from the 12 to 15 candidates for county, state and federal offices who have promised to attend the Orinda Association's second town meeting of the year.

Instead of real skyrocket and firecrackers, plenty of verbal fireworks will be in the offing when, for example, four candidates for sheriff take to the platform.

An unexpected highlight of the evening may be talks by candidates for the U. S. Senate, Richard Nixon and Helen Gahagan Douglas and a representative of Manchester Boddy. Nixon and Douglas have another meeting to attend but have tentatively promised to appear in Orinda.

But don't stay away because you expect a long, long meeting with candidates blowing off steam by the hour. Orinda Association directors voted last Monday night to limit the talks to five minutes, to be followed by a short question period.

GOOD IDEA

The idea for the meeting originated with the Civic Affairs Committee of the Orinda Association. Directors of the Association accepted the idea and Tuesday telephone lines were kept busy by Bob Clough, Herman Silverman and Bob Spott who were contacting candidates.

Ken Moorish will preside at the meeting.

Candidates planning to attend are sheriff, John Miller, James Long, Fred Nettles and Major Slater; county assessor, Justin Randall and James McMains; county treasurer, George Barkley and Robert Kinney; state assemblyman, Leo Armstrong and Bob Condon; U. S. Congressman, M. C. Friel and George Miller; U. S. Senator, Nixon Douglas and a representative of Boddy.

Orinda Woman Heads PHA Meet

Mrs. George Vurek of Orinda, second vice president of the Contra Costa Public Health Association, and chairman of the Tuberculosis Committee, presided at the meeting of the group held recently in Martinez.

Mrs. Vurek listed the work of committee members. They will alphabetize the 31,000 negative X-ray cards of persons whose films were taken in 1949, assist in registering at the surveys in 1950, plan morale building activities for the 30 tuberculosis patients at the chest disease wing of the County Hospital as well as for the 100 Contra Costa County patients at Weimar Sanatorium, and work in every way to make friends and neighbors aware of the fact that tuberculosis can be controlled in Contra Costa County.

Those present included Theodore H. Lassagne, Lafayette.

90 to 95 Degrees Here as Bayside Residents Freeze

While unlucky people in the immediate bayside area were practically freezing Saturday and Sunday, Orinda was enjoying a temperature of 90 degrees the 20th while Lafayette residents were reveling in a 95 degree atmosphere the 21st.

Any mass migration east through the Tunnel was probably due to the efforts of Oaklanders, San Franciscans, et al, to reach our pleasant locales for a thawing out session. Probably even sent venturesome local people home earlier than they expected, too. Serves them right for leaving town.

Lowest recording for the week from May 17 to 23 was the 40 degrees registered in Lafayette the 18th and in Orinda the 19th.

Our Hat Is Off to Bill Fleager and The School Board

The SUN this week says, "Hats off to Bill Fleager and the members of the Orinda School Board of Trustees."

Bill as well as the other members of the board well deserve a word of praise for the splendid job they are doing to guide the Orinda School District. This is no small task in these days of heavy population increases — and not enough money.

But Bill earns special recognition for preparing the clear and forthright statement of the school's financial problem, as published in the SUN last week.

Hats off to all the board members — Bill Fleager, Edgar Stewart, Joan Erikson, Seaver Ballard and John Stoffel.

New Guards for Sewer Outlet at Cascade Lake

The Orinda Association recently received a reply from John L. Mason district sanitary inspector, to the effect that additional guards would be placed around the sewer outlet on the Orinda Country Club property at Cascade Lake.

In his letter he said, "It is our intention to put up such protection around the outlet so that the pipe will be inaccessible during the months when it is exposed—usually from July to January."

The association had taken this action as a result of the child drowning there earlier this year.

MANHOLE COVERS

Mason also answered the request that manhole covers in Local Improvement District No. 14 be seated flush by saying, that prior to any advice from the Association the contractor concerned had been informed these covers would have to be replaced so they sat evenly.

Taxpayers Assoc. To Join Civic Affairs Group

Voting against establishing its own taxation committee, directors of the Orinda Association moved to invite a representative of the Orinda Taxpayers Association to sit on the Association's Civic Affairs Committee.

Last week the Civic Affairs group recommended the formation of a standing committee on taxation. This was presented to the board Monday night but was defeated 4 to 3.

COOPERATION

At the meeting Lyle York, president of the Taxpayers group, said his organization wished to cooperate with the Orinda Association on tax matters.

Bob Clough, chairman of the Civic Affairs Committee, and other members of the board discussed current criticism of the Taxpayers Association. This included the letters issued by the Taxpayers group on the high school bond issue and the public housing question.

Clough explained that the group has been criticized for the procedure followed in making recommendations and that apparently a very small number of members of the Taxpayers group has decided policy.

EDUCATIONAL

"We thought the purpose of the Taxpayers was as an educational body. It seems to have exceeded its authority," he said.

York explained that problems develop continually and "we can't have a meeting for everything."

"We felt we were giving a fair picture on the high school bond election," he said. "The pro side was emphasized by others, so we presented the other side which was neglected."

Highway Collision Injures 5 Persons

A two-car accident injuring five persons occurred Wednesday night at 6:10 p.m. in front of El Nido Restaurant on Mt. Diablo Boulevard.

Oscar A. Fogelberg of Orinda, a Lafayette contractor, was traveling west on the highway when the collision occurred. Herman Johnson was the driver of the second car. Both drivers were injured.

Passengers of the Johnson car were Vilma Johnson, 35, Emma Mustoe, 62, and Jerrilyn Johnson, 7.

All five persons involved were taken to the Concord Hospital. The extent of their injuries is not known.

State Highway Patrol said today that inquiry into the cause of the accident is continuing.

With New Slate Of Officers, Dons Return to Routine

Acalanes students returned to their regular campus routine this week after a hectic three day election campaign to choose next year's student body officers.

Sparked with the arrival of a flying saucer on the campus, raffles, and soap box oratory the students wound up their balloting session Monday in a run-off vote for girl's cheer leader. Other student offices had been filled the previous Friday in a heavy turnout at the polls.

NEW OFFICERS

Officers chosen for next year were Don Cvietusa, student body president; Gordon Hooper, vice president; Dodie Bee, treasurer; Judy Woolsey, secretary; Carola Courtwright, social secretary; Joan Schneider, Girl's cheer leader and Don Beardon, boy's yell leader.

Student officers work in conjunction with school officials in planning and promoting student affairs. Educators generally agree that student government and electioneering provide excellent practice in democratic processes.

County May Gain Congress District

Contra Costa County probably will gain a full congressional district.

That's the latest word from the Bureau of Census, which this week has estimated the county's growth at 350,000 residents.

The 1940 census placed Contra Costa County at 100,450 persons. W. J. Buchanan of Contra Costa County Board of Supervisors said he had known of a "200 percent increase in this county" in advance of the census.

"It may mean a full congressional district for the county," he said.

Painstaking tabulation and editing work from district maps still is underway in the Alameda office, where 50 enumerators still are at work.

Jack Collins, district Census supervisor, said outlying districts of both Lafayette and Orinda still remain to be counted, but said tabulations probably will be completed by the week's end.

Red Cross Lists Summer Dates for Swim Program

The Mt. Diablo Chapter of the American Red Cross in announcing its swimming program for school children wants to stress the point that the following schedule will be strictly adhered to. Mrs. Karl Pape, chairman of the Water Safety Committee, said facilities are limited and children must attend with their own group.

The following dates have been set:

Lafayette, Montecito and Vallecito Schools, Acalanes pool, June 20 through July 1. Instructor, Charles Eaton.

Glorietta School at Carroll Ranch pool, June 19 through 30. Instructor, Mrs. Vera J. Verdi.

Pleasant Hill, Diablo Vista, and Orinda Schools, Acalanes pool, July 25 through August 11. Instructor, Charles Eaton.

All schools within Mt. Diablo Chapter area, Acalanes pool, August 15 through 26.

Life Saving classes will be held at Acalanes pool only. Youngsters attending private or parochial schools will attend the same sessions as those of the same neighborhood who attend public schools. They may register at the chapter house, 1607 Locust Street, Walnut Creek, from 9 to 1 p.m. any week day prior to the dates for their sessions.

Civil Service Exam Dates Set

Filing of applications for the positions of public nurse and sanitation must be made by June 3 at room 229 of the County Hall of Records, F. E. Emery, Contra Costa County director of personnel, announced recently.

Salaries for both range from \$271 to \$326.

The East Bay Municipal Utility District announces that civil service examinations for the position of receiving teller will be held June 9. Starting salary will be \$211. Applicants must be under 45 years of age and have a high school education with an additional year of employment in dealing with the public.

Applications for Civil Service examinations for actuary and training specialist must be filed with the Commission in Washington, D. C., by June 3.

Salaries range from \$3,825 to \$6,400 and \$7,600, respectively.

Spinster-Dames Planning Dance

Mrs. Oliver Meek of Lafayette, member of Spinster and Dames, is busily planning the group's annual supper dance to be held at Diablo Country Club Saturday, June 27.

Starting with a round of cocktail parties the affair will continue on through supper and wind up with breakfast around the outdoor pool.

Three orchestras will entertain during the evening, a marimba band, Ray Hackett's famous orchestra and at 4 a.m. Lou Waters' band will take over. Mrs. Pierce Milton of Orinda is assisting with decorations, the theme to be the "Captain's Dinner."

Safety Council Warns Cyclists

"Look, Willy! No hands!" The Contra Costa Safety Council today classified 10 year old Junior and his no hands bicycle stunt as a public traffic enemy ranking in menace-value with the jay-walker and the runner-from-between-parked-cars.

National Safety Council figures show that about 325 to 350 children are killed each year in accidents involving bicycles. Some of these, of course, are due to carelessness or irresponsibility on the part of the motorist. But far too many are the bicyclist's own fault.

Your hometown merchant is always here to serve you.

Therapy Center Names Director

President Marvin Bonds announced that Miss Barbara Jeanne Knapp, registered occupational therapist, formerly director of Occupational Therapy at Children's Hospital in San Francisco was engaged as Director of O. T. at the Mt. Diablo Child Therapy Center as of May 1.

Seat New Chief For Girl Scouts In Local Area

"Girl Scouting is foremost in my heart because I sincerely believe it has something to offer the juveniles in this area," declared Mrs. George N. Jensen in acknowledging her new office as district chairman of Girl Scouts for Lafayette. She succeeds Mrs. George J. Planz, one of the visionary workers of the past year.

Supporting Mrs. Jensen will be the following officers who have dedicated the coming year to promoting Girl Scouting in Lafayette, and strengthening the bonds of unity for a stronger organization:

Organization: Mrs. Jack Noble, assisted by Mrs. Clifford F. Rafael, Mrs. Leonard Benson and Mrs. Milton Adair.

Program: Mrs. Robert Netherby, assisted by Mrs. Robert S. Kennedy and Mrs. R. Henrich.

Training: Mrs. J. F. Teuscher; Day Camp, Mrs. Thomas G. Nock; Publicity, Mrs. Leonard F. Jones; Finance, Mrs. Neill C. Cornwall; and Secretary, Mrs. Edwin C. Murray.

Starting the new term with a bang, Mrs. Jensen announced that there will be a round table discussion of plans for the coming year at her home on June 8.

Students Making Good Use of Don Library Rights

Since the dedication of the new Acalanes library a few weeks ago student attendance in the book room during the average school day period has more than doubled according to Miss Ruth Fletcher, librarian.

Preparations are being completed to put another 150 new volumes on the racks of the Don book room before the end of the year. The 1949 bound edition of "Current Biographies" will also be added to the reference section.

Last week Miss Fletcher represented Acalanes at the State Convention, School Library Association of California, Northern Section at the Mt. Diablo Country

Enthusiastic Crowd Swamps Garden Clinic Authorities With Questions

"Be sure to have another clinic like this next year."

That was the demand a week ago Thursday evening of an enthusiastic audience that attended the first Annual Garden Clinic for Contra Costa County.

The event was staged in Aca-lanes High School auditorium under sponsorship of the Lafayette SUN, the Orinda SUN and the Contra Costa Shopping News.

STAGE DECORATED
The stage was beautifully decorated with a "fence" of roses and vines furnished by Orchard Nursery, Lafayette.

The audience was so enthusiastic, according to Jack Schneider, program chairman, that the moderator was forced in several instances to limit speakers to the amount of time allotted to answering questions from the audience.

Even so, the Clinic lasted from 8 until 10:30 o'clock, and afterwards many in the audience lingered for informal chats with some of the seven gardening and landscaping authorities who addressed them.

HELP INVALUABLE
The information they gained, Schneider said, was invaluable—and would have proven costly in consultation with experts outside the Clinic, which was presented free of charge by these newspapers.

Originally only six authorities were scheduled to talk, but at the last minute David Feathers of Lafayette, a camellia expert, was added to the program. Feathers, past president of the Camellia Society, won this year's camellia derby with plants raised in Lafayette.

Others on the panel included Clyde Stocking, famous rose grower; Ernest Wertheim, landscape architect; Channing Jones, a spray company executive; John Paul Edwards, who originally was slated to talk on camellias but who talked instead on begonias; L. L. Edmunds of Danville, native shrub specialist, and Roy Hartmann, nationally known San Jose nurseryman, who served as moderator.

RESPONSE TERRIFIC
"Response of the audience to the topics discussed was terrific,"

Schneider said. "They insisted, almost to a person, that the Garden Clinic be presented again next year. They said they wouldn't have missed it for anything."

Schneider, incidentally, also called to the attention of area garden and landscaping enthusiasts that a similar clinic will be held in early June in Danville.

The clinics are arranged with the aid of the California Nurserymen's Association.

Eighth Graders Visit Courts

Eighth grade pupils of Lafayette School have new respect and understanding of judicial procedure after last week's tour of the Contra Costa County Superior Courts at Martinez.

The 75 youngsters making the tour were split into groups of 25 to attend sessions in the three court rooms during the morning. The opportunity to see part of a criminal case trial and two civil cases under way at the time proved especially informative to the boys and girls.

DISCUSSION
Returning to their classrooms in the afternoon, the first hand information and observation gained was discussed and correlated with their classroom work by the students.

Mrs. Helen Cory and Horace Smith, eighth grade teachers, were assisted on the tour by the mothers of two students.

Stop for school buses regardless of which direction you are driving.

County School Official Talks

Mrs. Emily C. Leonard from the county school office met interested parents in Lafayette Grammar School auditorium Tuesday morning. Mrs. Leonard was introduced by Mrs. L. G. Longacre, past president of Mt. Diablo Council of Parents and Teachers.

This was the fourth such meeting to educate parents on modern methods of teaching the three R's. The topic for the occasion was "Philosophy of Arithmetic Teaching."

The method now used is to provide children with articles to feel and see, pictures of objects, a variety of books, audio-visual aids,

Two County Men On Gambling List

William Pechart and Dave Kessel of Contra Costa County were named on the list of 22 persons charged by the State Crime Commission with using liquor licenses as fronts for operations in gambling, vice and narcotics.

The State Board of Equalization has asked Attorney General Howser to review the case since they cannot act without additional evidence.

The Board itself had initiated the action when it adopted a resolution to purge the liquor business of racketeers and hoodlums.

Warren Olney III, chief council for the Crime Commission furnished the 22 names. He commented to newspapermen, "It will be interesting to see if they follow through on their desire to rid the industry of undesirables."

Attn. General Howser Should Be Defeated

(AN EDITORIAL)

In an adjoining editorial we state that we do not believe newspapers should endorse candidates for public office. But we provided an exception — when a candidate is dangerous or harmful to the public welfare.

Fred Howser, incumbent Attorney General of California, may be classed in the latter category.

* *

The SUN strongly RECOMMENDS THAT YOU VOTE AGAINST HOWSER.

The reason for this should be clear to anyone who has followed the news since Howser took office. Whether intentional or not, the Attorney General has allowed crime and gambling to gain a strong foothold in California. He has not made a real effort to combat them. Indeed, all evidence points to the fact that he (or his office) has actually placed obstacles in the path of conscientious sheriffs and district attorneys who are fighting lawlessness.

Good examples are Mendocino, Santa Cruz and Sonoma Counties where Howser's own men have been implicated in the local gambling picture. Convictions against them have been obtained.

Uncontradictable evidence has been presented by the State Crime Commission which discloses amazing actions of the attorney general's office in hindering investigation of crime in California.

Howser's only answer is "politics."

* *

In our own sheriff's race we unfortunately do not have much to choose from. But in the attorney general's election there are two other good candidates opposing Howser — Ed Shattuck (republican) and Pat Brown (democrat, San Francisco district attorney). Each has filed on both tickets.

We do not endorse one over the other.

But we recommend that in the primary the republicans vote for Shattuck and the democrats vote for Brown, so that Howser will be defeated on June 6.

A warning: don't underestimate Howser. He has a powerful campaign organization and plenty of money.

But if we wish to see good law enforcement re-established from the very top, we must make certain that Fred Howser is NOT re-elected as our attorney general.

Here Is Our Policy on Endorsing Candidates

(AN EDITORIAL)

Preceding the election two years ago, this newspaper stated its policy about endorsing candidates. With the approaching primary election June 6, we believe it is time to reiterate our position.

We do not believe it is in the best interest of the people for a newspaper to select a group of candidates and endorse them. Why should Mr. Hearst, Mr. Knowland, or Mr. Paul Smith tell their readers how to vote? Why should the publisher of this newspaper ask you to vote for Candidate A instead of Candidate B?

This then clearly states our policy.

However, there is an exception to this.

We reserve the right to express our opinion when we believe that a candidate is dangerous and should be exposed—or if he is so inept or has so many strings tied to him that his election would be of real harm to the public welfare.

A further reservation would cover an election in our own supervisory district, when the affairs of our community are at stake.

We stated this two years ago. We repeat it today so our position will be clear to our readers.

2 Lafayette Men As CCCDA Officers

Among the directors of the Contra Costa County Development Association recently elected were John V. Manners, Lafayette; David Holstrom, Danville; and Harvey B. Lyon, Lafayette.

William O. Barnes of Martinez, personnel manager of the Tide Water Associated Oil Company will head the Contra Costa County Development Association as president for the 1950-51 term.

Barnes and a new slate of officials and 21 directors were chosen last night at a meeting of the association's directorate at the association's Martinez headquarters.

M. House, Ridge Lane and Sleepy Hollow Lane, \$12,993.

The Contra Costa County Board of Supervisors also granted Carlton H. Arras requested side yards at his property, Lot 23, Happy Valley Meadows on Dolores Drive.

Lafayette Pharmacy To Close Labor Day

Mort Sparling and Ben Handy will rough it over Labor Day according to present plans.

They will spend the time on the Pitt River in Alturas fishing. The Lafayette Pharmacy will be closed Monday and Tuesday.

Bids on Buses to Be Opened May 31

Bids will be opened Wednesday on bids for busses to be furnished the Acalanes High School District.

The board has already hired Michael Dukich, formerly transportation supervisor for the Monterey Public Schools, to take over the same post here. Hiring of drivers and decision on routing will be done later in the summer.

Contest Ends in Four-Way Tie

The near impossible has happened.

In the recent contest sponsored by Orville Sutton of Sutton's Shoe Shoppe in which youngsters guessed the number of feathers in the picture poster of a war dancing Indian, four entrants guessed the exact number—111.

Pat McCauley, Lafayette; Dexter Wold, Orinda; Eddy Deemer Lafayette, and a lad known as "Pepper," Walnut Creek, were the tying contestants. With the contest over, a run-off drawing for the prizes, a Schwinn bicycle, a wading pool and two pairs of Keds, was conducted and the youngsters placed as listed. The contest closed May 20.

Exams for New County Job Ready

The filing of applications for position as library assistant is now open in Contra Costa County. Applications will be received at the Civil Service Commission Room, 229, Hall of Records, Martinez until June 10.

The salary is from \$205 to \$247 a month. Requirements are two years of college and one year's experience in a post necessitating public contact. Two additional years experience may be substituted for college training. Applicants must have been residents of Contra Costa County for at least a year.

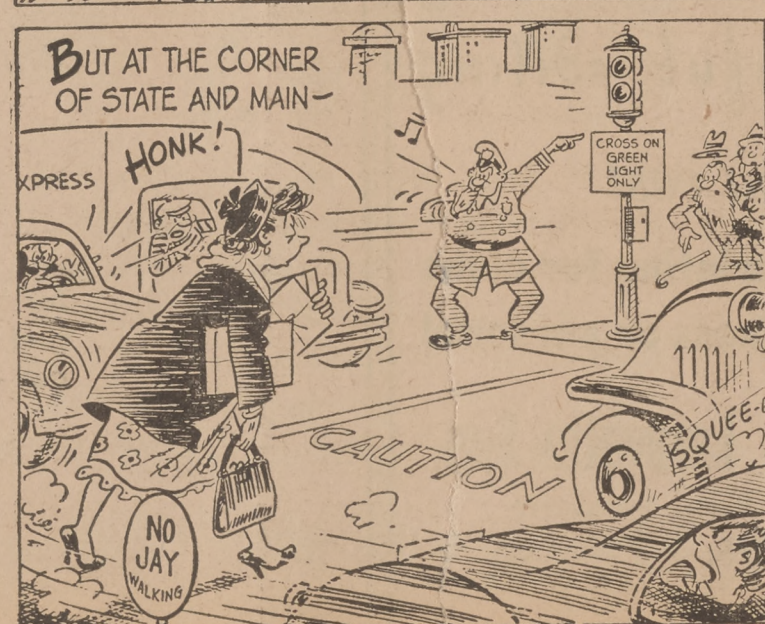

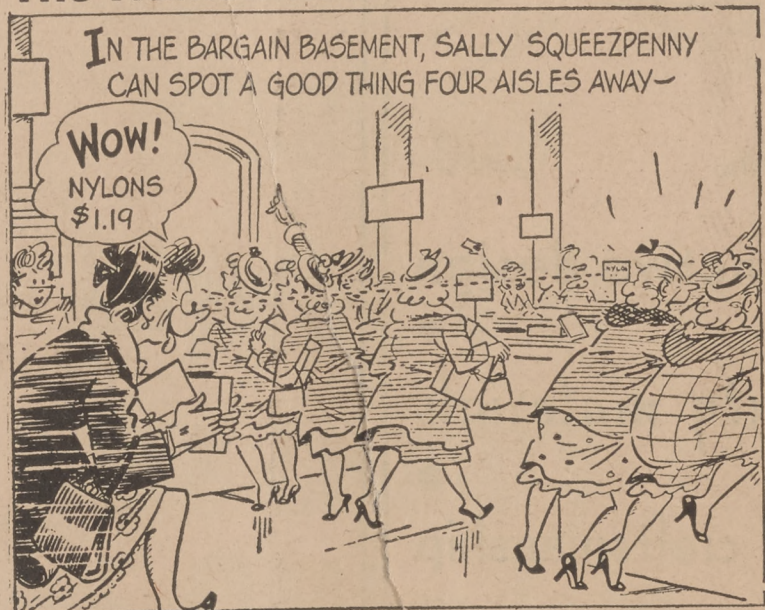

Congressman to Visit Lafayette

Congressman Richard Nixon will visit Lafayette Wednesday, May 31. He is appearing under the auspices of the Lafayette Republican Women's Club and will be introduced by Mrs. Sam McAllister, Mrs. Donn Court, club president announced.

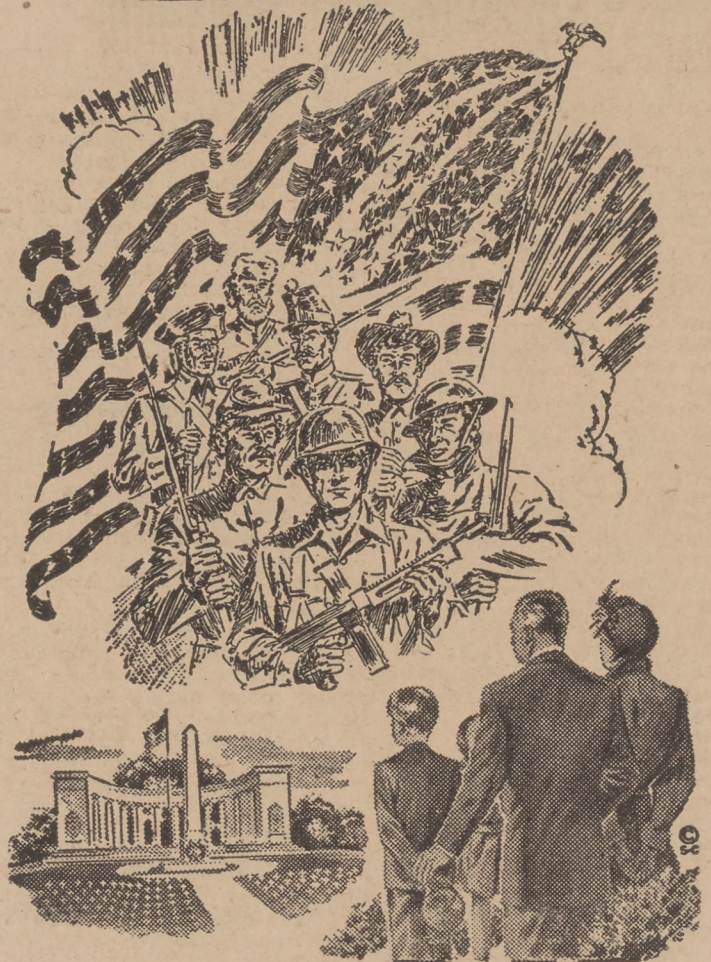

The speech is scheduled for 2 p.m. The place is Lafayette Plaza. Nixon, presently Congressman for the state of California, is seeking the state Senate seat in Washington on the Republican ticket.

Montgomery Airfield, San Diego, Named For Canyonite's Brother

James P. Montgomery, Canyon attorney, and his sister Jane E. Montgomery, Oakland, were honored guests of the City and County of San Diego last weekend. These dates marked a two-day Montgomery commemoration sponsored by the San Diego Junior Chamber of Commerce in honor of John Montgomery, brother of the two.

John has claimed to be the first man to make a heavier-than-air flight.

The John J. Montgomery Airport, the largest commercial field in the United States, was dedicated Saturday. The ceremony was followed by an aviation banquet which honored the two remaining members of an eight-child family.

Sunday the Monument, erected on a 35 acre park, the site of his first flight in 1883, was dedicated by the Rt. Rev. Bishop Buddy of San Diego. A record crowd of 10,000 attended.

A representative of the Smithsonian Institute congratulated San Diego on its recognition of the great achievement of John J. Montgomery 67 years ago.

San Diego already has a school and a highway named in honor of John.

The entire Montgomery family flew to the ceremony. Those attending were: Mr. and Mrs. James P. Montgomery and daughter Elinor Jane, Canyon; Jane E. Montgomery, Oakland; Mr. and Mrs. Zach Montgomery, Orinda; Marie D. Wendt and daughter Marcia Jane, San Mateo and Virginia Johnson of El Cerrito.

A buffet luncheon was served in their suite, with the Mayor, San Diego Supervisors and other dignitaries present.

PLANE HISTORY

John was born in Yuba City, the family later moving to a ranch which would now be located in Oakland near 41st and Telegraph. When they later moved to San Diego, John was known as the "Queer" Montgomery boy, with the silly ideas.

Because of this ridicule, John hid his glider in a hay rack which was hauled to the top of Otay Mesa, outside San Diego. The first flight of 600' came to an abrupt end because brother James, official tower, got his foot tangled in the tow rope.

John studied at the University of San Francisco and at Santa Clara. Later he became professor in Physics at the University of Santa Clara.

WITNESSES FOR

Ironically it was at a Kitty Hawk Day luncheon put on by the Junior Chamber of Commerce of San Diego that Mr. Woodhead, president of Consolidated Aircraft, pointed out that although the Wright brothers flew the first aircraft with an engine, the credit for the first flight of heavier-than-air craft should go to Montgomery. His flight was 8 years before that of Lilienthal and 20 years before that of the Wright brothers.

Other witnesses for the Montgomery claim were Alexander

Graham Bell and William Wellman, World War I ace and subsequent movie producer.

The original glider was lost in the famous flood of San Diego. John died as the result of a flight accident in 1911.

Sherman Field To Become 'City' Of 500 Homes

Sherman Air Field, a landmark at the Contra Costa Memorial Monument on Mt. Diablo Boulevard near Concord, is about to be replaced by a community of some 500 homes.

The property has been purchased by Ed McGah and John P. O'Shea, Oakland home builders, for an estimated \$250,000, for an extension of their Fair Oaks project.

Sherman Field has been under lease to Philip McManamy and Arthur Sassone of San Lorenzo Village, who are operating the Concord School of Aviation.

Patrolmen Plan Annual Benefit

Plans for the fifth annual California Highway Patrolmen Association benefit show, for the Widow and Orphans Fund, sponsored by the Contra Costa County California Highway Patrol Unit are under way.

Under the chairmanship of Highway Patrol Officer August "Dick" Schutt, the following committees have planned the show: Captain G. A. Belon, Officers Sam Rowe, George Sierck, Charles Casaurang and John Connolly.

Added attractions to a complete BCRA racing program will be held Thursday night June 29, 1950 at the Contra Costa Stadium, Pacheco. Time trials set for 7:00 p.m. First race to begin at 8:00 p.m.

DANGER ZONES

Intersections, curves and hill crests are danger zones for the driver. When you approach these danger zones, keep alert, keep your speed down, and keep to your own lane of traffic until you can pass with complete safety.

County's Aged Cases Decrease

First benefit to taxpayers in Contra Costa County from Proposition No. 2 is the drop in aged aid cases from 3,319 for February, 1950, to 3,074 for March, 1950, California Taxpayers' Association reported.

Payments for aid to the aged in the county dropped from \$225,058 for February to \$208,007 for the month of March.

PAYMENTS TO RISE

On the other hand, general

county relief — where needy persons aged 63 and 64 who were dropped from the aged category would have gone for public assistance — went from a total of 5,047 persons for February to 4,905 for March, with total payments going from \$82,956 to \$85,922. These figures do not include aid to needy blind and dependent children.

Lafayette Lions Donate \$1435 Check To Mt. Diablo Child Therapy Center

A Check for \$1435 was presented by the Lafayette Lions Tuesday night to Marvin Bonds, president of the Mt. Diablo Child Therapy Center, for the organization's building fund.

Proceeds from the Lions sponsored luncheon and fashion show held two days last Fall at El Nido, the check was turned over to the Child Therapy Center representative by Red Moore, who was general chairman of the benefit affair. Moore, who now lives in Marysville, came to Lafayette especially for this important occasion.

In a brief acceptance speech, Bonds thanked the service club and explained some of the work the Center is now doing and what it hopes to do in the future.

June 13 has been set for the installation of the Lafayette Lions officers for the coming year. S. De Angelis will be seated as president; Bud Wood, 1st vice-president; Lou Knappenberger, 2nd vice-president; Gordon Hooper, secretary; Bob Stirling, treasurer; Vince Lombardo, tail twister; Buddy Webber, lion tamer; Stan Knight and Don Patton, directors.

Members of the nominating committee which prepared the panel of names for the recent election were: Don Gibson, Mickey Meyers, Art Buske, Elmo Lombardi, Jack Pedder and Stan Knight.

Board Members Regain Posts

Voting in Orinda for School Board trustees ended in a near tie. Ritchie C. Smith and Edgar Stewart were the only names filed for the election. Both men were unopposed for reelection.

Smith garnered a total of 33 votes while Stewart paced him with 34. There was one write-in vote for Roberta Speigl.

STORK CLUB

Mr. and Mrs. Arnold F. Runo of 11 Ardilla Road, Orinda, are the parents of a baby girl, Carol Ann, born Friday, May 12, at Alta Bates Hospital. Carol Ann weighed 7 pounds 11 ounces at birth.

SCHOOL GUESTS

Principals and trustees of Acalanes School District were guests at Orinda Grammar School Wednesday evening when a dinner was held and mutual educational problems of the district discussed.

Letters To The Editor

The final total for the Orinda Red Cross drive stands at \$5,723.81.

This is the best we ever have done.

Credit should go to the splendid work of captains and their workers, and to the generosity and fine spirit of Orinda people.

Beyond this, I want to pay tribute to the Orinda SUN and its staff, which spurred enthusiasm through the six weeks of the drive. Our campaign was a good example of the countless instances in which your paper is a necessary vehicle for real public service to its community.

Youth Day Meet To Be Outside

Next Sunday's Youth Day service at Orinda Community Church will be held outdoors at 11 o'clock. It will be the final appearance of this school year for the Junior choir under direction of Mary Elizabeth Tomme.

Parents, friends of the Sunday school and the regular congregation will be seated with school members in front of the church building, where Superintendent Everett D. Howe will conduct the worship.

The "sermon" will be delivered by the various classes and departments under his direction and with the special assistance of Mrs. John Ogden, chairman of the Leaders' Conference.

Youth Day services have been held heretofore in the church hall, but increased numbers this year have led to the outdoor move. Parents are reminded that there will be no Sunday school at 9:30, and that they attend with their young people and children at the usual church worship hour.

MAJ. MONTAGUE BACK

Major Thomas A. Montague, 14 La Campana, Orinda, was one of 116 Reserve and National Guard officers to graduate at the Command and General Staff College, Fort Leavenworth, Kansas, in mid-May.

Youth Club to Have Communion Sunday

Members of the Santa Maria Youth Club of Orinda will receive Holy Communion Sunday at the 8 o'clock Mass. Confessions will be heard on Saturday from 4 to 5 and 7:30 to 8:30.

Garden Club Plans Picnic

In celebration of a blue ribbon and cash award won at the recent California Spring Garden Show in Oakland, members of Orinda Garden Club will meet for a picnic lunch at the home of Mrs. Roger Stark next Thursday at 10 a.m.

Included in the program is completion of the year's business and election of a nominating committee.

Mrs. Jeffress Rodwell is in charge of arrangements for the group which includes Mesdames William Wilson, Thomas Telfer, William Kilgo, Clay Sorrick, Earl de Soto, Edward Solinsky, Woodburn Lamb, Ritchie Smith, Jeffress Rodwell and Henry Gentry.

This will be the last meeting of the club before summer vacation, according to Mrs. Henry Gentry, publicity chairman. Executive board members met at the home of Mrs. William Everts on Wednesday to plan for the concluding session.

CHRISTIAN SCIENCE CHURCH

"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced." This is the subject of the Lesson-Sermon to be read Sunday, May 28, in all Christian Science churches, with the Golden Text taken from Romans: "If God be for us, who can be against us?" (8:31).

Included in the citations comprising the sermon are the following:

The Bible: "And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ" (Revelation 12: 9, 10 (to:)).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Revelator lifts the veil from this embodiment of all evil, and beholds its awful character; but he also sees the nothingness of evil and the allness of God" (p. 563).

Fire Chief to Start Summer Fire Campaign

Fire Chief H. E. Wyatt announced today that the summer campaign against grass and brush fires will soon be under way. He urged all residents of Orinda to cooperate.

Beginning June 1, all outdoor burning will be curtailed and will be permitted only after an inspection and a special permit issued.

Accumulations of brush cuttings, grass and rubbish should be disposed of either by burning or hauling away.

PERMITS A MUST

A fire permit and inspection are a necessity as always and newcomers should contact the department by phoning Orinda 6666.

The sale of or possession of fireworks is strictly on the forbidden list. A special patrol will be inaugurated during the Fourth of July period and residents are requested to notify the department of any violations no matter how trivial they may seem.

Orindan Is New Rifle Instructor

E. J. Unruh, of 53 La Campana Street, has been appointed instructor of the Orinda Explorer Junior Rifle Club, it was announced here today by the National Rifle Association as it granted the organization a junior club charter in the NRA's national youth program.

Membership in the new club, which will devote itself to the various phases of target shooting, is open to boys or girls under 18 years of age. Under the instruction of Mr. Unruh, the youngsters will learn the fundamentals of rifle shooting and the correct way to handle firearms safely.

New officers are president, Phillip Dawson, 189 Orinda; vice president, Jim H. Thearle, 9 Via Hermosa; executive officer, James D. Hall, 72 Davies Road; secretary, Robert E. Wickman, Loma Vista Drive; and treasurer, Richard C. Rogers, 6 Oak Drive.

Engagement Told To Orinda Youth

Mr. and Mrs. John Duncan Hamilton, of Wenatchee, Washington, announce the engagement of their daughter, Marjorie Ruth, to Hal George Culp, son of Mr. and Mrs. George Culp of Miner Road, Orinda.

The young people are both students of Stanford University.

Announcement was done in traditional manner, a bouquet of roses in Lagunita Court.

Hal belongs to the Alpha Sigma Phi fraternity.

Church Barbecue Set for Monday

Monday is the day for the Santa Maria Church barbecue sponsored by the Holy Name Society. The affair will start at 6 p.m. at Canyon's Redwood Inn.

Cubs Choose New Officers at Last Meeting of Year

New officers of Orinda Cub Pack 32 were named at the final meeting of the year held at Orinda Community Church last Friday night. Don March will be Cubmaster for the new term; assistant Cubmasters are Thomas Montague and Rudy Rasmussen; property man, Norman Bailey; publicity, James Brown; athletic director, Joe Navone; treasurer, Thomas Telfer; membership, Robert Moorehead; secretary, Dave Wallace; Den Mothers advisor, Mrs. Roger De Wolf.

Graduation ceremonies were held for 10 boys who received their Webelos award. Two new boys, Mike Gillivan and Johnny Coats, received their Bobcat pins upon joining the pack.

ANNOUNCEMENTS

Among announcements made was the proposed trip to the Oaks San Diego baseball game, Oakland, June 3, in conjunction with Pack 52. They will meet at the grammar school at 10 a.m. and meet the Oak players at the park about 12:30 p.m.

Pack members were also advised that final awards for the year will be presented at the June 17 Diablo area picnic to be held at Acalanes High School. Cubs therefore have additional time to work for their badges, but must have their requirements for the final awards in to their Den Mothers by June 14, according to their publicity chairman.

Possibility of a summer athletic program directed by Joe Navone is being given consideration, with the subs enthusiastic about the idea.

Use of Pruning Shears Needs Close Attention in Spring Renovating

By BERT WRIGHT

THE GARDENER with pruning shears might be considered a terrible monster by a shrub if it could suddenly be personified.

This feeling would be entirely justified by the mutilated condition some shrubs are left in after pruning has been done by amateur operators.

IN ORDER to prune intelligently, it is essential to know something of the growth habits of shrubs. They may be divided roughly into two groups.

THE LARGER GROUP includes the early spring bloomers. In this type the flower buds were formed last fall and are ready to burst into bloom as warm weather approaches.

Careless pruning at this time of the year is likely to remove many of the flower buds and thus destroy the floral display which might have been had.

SPRING FLOWERING SHRUBS renew themselves from new shoots arising at the base. One of the essential operations is to remove each year enough of the older growth in order for the proper development of the younger growth.

THE SECOND GROUP of shrubs are the late bloomers. In this type the flower buds are produced on shoots of the present season's growth. Pruning back these shrubs in early spring does not therefore remove the flower buds because they have not yet formed. Hardy hydrangea, althea, butterfly bushes and vitex are included here. Be careful heading back it is possible to avoid the tall, leggy, hydrangeas, altheas and others which are so commonly seen when neglected.

OLD FASHIONED lilacs bloom on older wood than most shrubs. The innumerable shoots produced at the base should be thinned down to give five or six of the most vigorous. These are to take the place of old wood when it becomes necessary to remove some of this. It is a good plan to clip off the faded flower clusters of French hybrids as the production of seed is an unnecessary drain on the vitality of the plant.

PROPER PRUNING is but part of the success formula for beautiful shrubs. Early spring is a good time to give your shrubs a feeding. Shrubs are just as appreciative of careful feeding as your lawn or flowers.

Plans Complete For Graduating Orinda Students

The scheduled activities for those graduating from the Orinda and Glorietta grammar schools this semester include the following:

Sunday, June 4 — Brunch at the home of Dr. and Mrs. Charles Camp.

Friday, June 9 — Graduation dance at the Orinda School.

Wednesday, June 14 — Mothers' Club picnic at the Orinda Park Pool.

Thursday, June 15 — Last day of school.

Friday, June 16 — Graduation exercises at the Orinda School at 8 p.m.

ENROLLMENT

Registration of all children not now enrolled in the Orinda schools will take place at both the Orinda and Glorietta schools today from 9 a.m. to 4 p.m.

Children attending kindergarten next season must be at least four and a half years of age, the school board has decided. Those being entered in the first grade must be a year older. Birth certificates will be required at time of enrollment.

Henry Thornbro Has Years of Shoe Training

By DORIS SAGE

Henry Thornbro, owner of Thorn's Shoes in Lafayette, had a busy hour and a half checking the fit of youngsters' shoes selling new footwear to customers who were predominantly feminine ones during those forenoon hours and answering questions concerning their foot problems, before he had a chance to sit down and answer our questions about his work.

His apology for delay met with the assurance that customer-merchant dealings were a revealing story in themselves.

CORRECTIVE FITTING

Seeing a small youngster walk from the store with sure, straight step after his return for a periodic check-up to see that his shoes were still satisfactorily remedying a foot condition needed no further explanation.

It was an education in itself to hear Thornbro describe to his customers the many different features of foot support and comfort incorporated in our modern footwear.

22 YEARS A SHOE MAN

The owner of Thorn's has been 22 years in the shoe business, and credited the influence of his father, manager of Summer and Kaufman in San Francisco for some years, for his early interest. Working for the same firm after school and Saturdays, young Thornbro's liking for the business grew — and so his career was started.

SPECIAL SCHOOLING

Special schooling, which included two years of practipedics, a foot anatomy course, gave him background for his next 18 years' work in the orthopedic shoe business, 12 of which were devoted to corrective fitting exclusively for children.

OUTPATIENTS

Los Angeles Children's Hospital, the Children's Clinic at General Hospital in the Southern California city, and later, in the Eastbay, Permanente and the clinic at Providence Hospital, sent young patients who needed corrective shoe fitting to Henry Thornbro.

Two-and-a-half years in the "Seabees" during wartime was followed by two years as manager of the Cantilever Shoe Store in Oakland. The Thornbro family, which includes a boy, 7, and a girl, 2, now makes its home on St. Mary's Road.

Area People See Mountain Show

Several local people attended the Mountain Play on Mt. Tamalpais last Sunday afternoon. Among those viewing the pageant of Robin Hood presented in that beautiful amphitheatre were the Erwin Mattson family of Thomson Road, the Fred Dietz family of Glen Road, and the Twining family of Orinda.

SUN Begonias Do the Trick

Garden lovers have been taking advantage of the SUN's offer which has been running for the past month.

Begonias for FREE! Eight of these beautiful flowering plants from the special stock at Wright Brothers Nursery with each new subscription to the SUN.

And claimants of prizes have not been confined to the immediate areas. Flowers seem to be popular with our metropolitan neighbors, also, our records indicate.

There is only one rule: One NEW subscription equals Eight Free Tuberous Begonia Plants.

So you lovers of flowers—activate that pen, or pencil, if you prefer.

Dick Fender Buys Lafayette Firm

Dick Fender became sole owner of the Lafayette Building Materials Company, Moraga Boulevard May 13.

Fender has been associated with the firm for the past nine and a half years, the past six as partner. Ray Riddle sold his interest in the business to Fender.

Prior to the partnership, Fender had been yard manager.

Riddle intends to move to Lakeside, Oregon, near Coos Bay to open a general merchandising store.

District Census Report Almost Ready

Uncle Sam is about through counting noses in this area now. Residents need not be bothered again for another decade, Jack Collins, district census supervisor said today.

Collins stated that the initial count indicated the necessity for additional spot and area surveys because of the growth of population in the area. Spot checks of isolated areas in the district are all that remain, he added.

Lafayette and Orinda area residents need not be too concerned about being missed if they have not yet been visited. Census takers are covering this part of the district last.

MAKING FINAL COUNT

Collins indicated that the district bureau is busy now with the final count and tabulation and that the remaining spot check reports would be in to the office shortly.

The final report for the district, he said, would be ready for publication sometime during the first half of June.

CONCERN

Since the inauguration of the recent nose count, area residents have been reporting the coverage of one community and the omission of check on another. Census takers have found it difficult to check the district progressively because of the number of isolated

ed communities "over the hill or up some lane."

However, if some are still among the missing, the fact can be reported to the post office.

Surprise Supper For Local Pastor

The Assembly of God Church of Lafayette gave a surprise supper for Rev. and Mrs. W. R. Lamb, Tuesday at the home of Mr. and Mrs. H. W. Swenson on West Road.

Supper was served from a beautifully laden table and a gift of \$28 was given the Lambs as a token of church membership esteem for them.

Rev. Charles Pepper now officiates at church services.

OJAI

Ojai, California, is reported to take its name from the Indian word for "nest," which describes the valley in which this beautiful little town lies.

Joan Gilbert Takes Part in Water Ballet

Joan Gilbert, Mills College sophomore student from Orinda, performed in the college's annual Aquacade staged last Sunday evening in the outdoor pool on the Oakland campus.

An active member of the Mills Swim Club, Miss Gilbert is one of 21 student swimmers who took part in this year's water ballet.

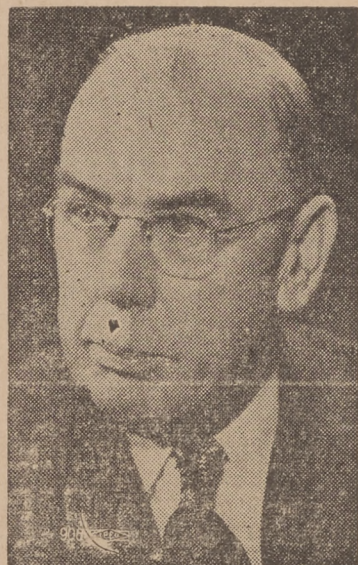

Joan is the daughter of Mr. and Mrs. Victor Gilbert, 184 Moraga Highway, Orinda.

Donmen Cop Top Honors in Season's North Coast Section Track Finale

The Dons captured top honors at the May 20 finale of the North Coast Section track season at Berkeley Stadium. Coach Chuck Eaton's trackmen edged out Napa 25 to 20 for varsity honors and the NCS silver trophy.

This is the second major win for the Don track men in almost as many days. They dumped the favorite Richmond team in the North Coast Section high school athletic league tourney earlier in the week 41 7-10 to 35 1-30.

Richmond, the varsity champ for the past two years, nosed down for an 11th place tie in the final meet to share the 8½ point place with Burlingame.

A total of four records went by the boards in the varsity division—the 220, 440, the mile and high jump.

Although they did not participate in the record breaking honors Saturday, the Donmen were given their win when Granny Silers romped home in the 180 low hurdles.

Napa's Sherman Miller took the 440 in 48.2 just 2-10 off the interscholastic record; Herbie Turner of Alameda the 220 in 21.5 and San Jose's Vern Wilson the high jump.

Saturday's first three placers will be eligible to participate in the state meet.

Two Ball Games At Moraga Sun.

Two benefit softball games are scheduled on the Moraga school grounds Sunday. The first is to begin at 10 a.m. and will be between school "dads" of 170 pounds and under versus those over that weight.

The second game is set for 2:30 p.m. and will be between "dads" and the Boy Scouts.

A third game is slated for some future date not yet chosen and will feature the winners of the first two tilts.

Admission to Sunday's games will be by donation; proceeds of the first going to the Cubs and 4H Club and those of the second to the Scouts.

Cubs will furnish refreshments at both games.

Don Mechanics Visit Ford Plant

Forty-seven Acalanes student mechanics in the school's auto shop courses visited the Ford Assembly Plant at Richmond this week with their instructor Robert Thom.

According to Mr. Thom students were highly impressed with the mass producing method of factory production. The Richmond plant completely assembles all parts of the car with the exception of the engines which are shipped in pre-assembled.

Last year the class visited the East Bay General Motors assembly plant. The school recently purchased two "jalopies" for students to work over in the Auto Mechanic classes.

STATE BOARD OF EQUALIZATION

FROM THE SIDELINES

By Coach Erwin Mattson

THE CONTRA COSTA County High School League held a meeting at Martinez recently to plan the schedules for 1950-51 and 1951-52.

Schedules are generally drawn up two years in advance to enable teams to set up practice schedules. These games are usually on a home and home basis.

The addition of Albany to the schedule has resulted in some complications because each team receives a bye. As a result the league runs a week longer in each sport. That in itself is a problem in view of the fact that the football season has been moved ahead a week and in 1951 will be moved ahead two.

Practice for football usually starts around the 28th of August. In 1950 it will be around September 5 and in 1951 it will be about September 12.

That means that play will run close to Thanksgiving and weather can become a problem particularly with night ball.

Another problem arises in connection with home and away games. The scheduling of three of each was easy enough, but keeping them distributed so that no one team would have too many in a row at home or away is more difficult.

At this writing the problem remains unsolved.

THE ACALANES TRACK team has had its most successful season in history and capped it by copping top honors in the North Coast Section Meet held at Concord. True the meet was but one section, but it was the first time such a division has been made.

Richmond entered the favorite, while El Cerrito, Berkeley and Piedmont were supposed to be right in there, but evidently the Dons didn't read the papers or if they did they didn't believe them.

The meet was a twilight affair and the weather was anything but conducive to good marks. Chances are it will be some time before another night meet is held. Most coaches were of the opinion that the weather is too much of a gamble.

Strangely enough the best night weather in these parts appears to come during the fall football season when balmy nights are in order most of the time.

IN ST. MARY'S football scrimmage last Saturday it appears that John Henry Johnson, Pittsburg's former great, is destined to be one of the main cogs in the St. Mary's grid machine which is now under the guidance of Joe Reutz.

I could be wrong, but it appears that unless St. Mary's gets some linemen via the transfer Junior College route, the team will have trouble against top collegiate competition.

The backs appear to have a far better balance and ability than the line. Several of the better linemen appear to be fresh. On the basis of early reports it ap-

pears that the Gaels will have a great first year eleven come fall which bids well for the future of St. Mary's.

Martin To Play Walnut Festival

Dude Martin and his western radio and dance band have been signed to play at the Walnut Festival, which will be presented September 22, 23 and 24 at Walnut Creek.

Elmer Hansen, Walnut Festival association president, said his group still is searching without success for a suitable one-acre tract of walnut land to offer as the major prize in the queen contest.

SPORTS

Donman to Pitch At All-Star Game

Dick Green, star pitcher for Acalanes High School's Donmen received a berth on the Counties' All-Star team, which June 3 will meet the City Catholic All-Stars in an American Legion prep game at Oaks ball park.

A committee of Legionnaires stood solid for Green, who also had garnered a considerable number of the coaches' votes for the All-Star berth.

As a result of the dispute, it was decided four being consider-

ed would be placed on the team. The others are Charles Lacy of El Cerrito, Lee Chambers of Richmond and Chuck Hutchinson of Antioch.

Grass Fire Burns Over Six Acres

A grass fire of undetermined origin at Orinda burned over five to six acres of grass land between Estates Drive and Scenic Tuesday.

The fire was a threat to several homes in the vicinity before it was brought under control by the Orinda Fire Department, Fire Chief Wyatt said.

There were no casualties.

Portrait of an electrical appliance—King Size!

New Rock Creek hydroelectric plant, on Feather River!

This is just as much an electrical appliance as your toaster. We plugged it into the Feather River just two months ago. Instead of making toast, this modern hydroelectric plant keeps busy turning out

169,000 horsepower. That's enough to run all the toasters, and everything else powered by electricity, in the combined cities of Berkeley, San Jose, San Leandro, Fresno and Redding!

This is the 7th giant electric power plant built by P. G. & E. since V-J Day—to bring you vastly increased power—1,156,400 horsepower of new installed capacity—to help you run your household, do your chores.

P. G. and E. service does so much...costs so little

As the West grows, as new homes, farms and factories come to Northern California, P. G. and E.'s resources grow, too. By next summer, for example, we will have an additional 670,000 horsepower ready to go to work.

For the record

Everything gas and electricity do to make your living easier costs less in California. Even heavy farm chores are cheaper here when electricity takes over. P. G. and E. rates are among the lowest in the U. S.

Dramateurs End Spring Season Saturday Night

"Two Blind Mice," the Dramateurs' last production, wound up the Orindans' most successful season.

The farce climaxed a three-play season which has set a new high for the Dramateurs to match.

The production had its initial East Bay showing at the Orinda Grammar School auditorium Thursday with the final showing Saturday. The site proved most satisfactory.

CREDIT TO STAFF

Much credit is due to the handling of the production by Edward O'Brien, director, and to Mrs. Frank Wright, stage manager.

In the cast were O'Brien, Mona English, Dolley Williams, Mary Nelson, C. H. Kleiser, Bill Hanley, George Vurek, Keene Petten-gill, Andy Blalock and Dale Bow-er.

The Dramateurs are planning to incorporate comedy in their fall program because of the hearty reaction to this type of production this spring, Andy Blalock, publicity chairman, stated.

Drive carefully, the life you save may be your own.

Leaders of Girl Scouts Invited

All Girl Scout leaders of the Diablo Valley area are cordially invited to attend the Leaders Association meeting to be held Friday, June 2, at 10 a.m. at the home of Mrs. Donald Krotz, 44 Monte Vista Road, Orinda.

"Girl Scouting Outdoors" will be the theme of the meeting. A picnic lunch will be served, illustrating the various points of outside cookery.

Any leader wishing to attend, please get in touch with Mrs. Krotz, Orinda 2045.

Hudd Pupils Play At Orinda Recital

Pupils of Laura Mitchell Hudd presented an afternoon recital Sunday at the home of Mr. and Mrs. Jay Stevens. Families and friends attended.

Piano soloists for the occasion were Babbette Ambler, Michael Gillivan, Patty Ann Brown, Martin Smith, Stephanie Jensen, Smedley Ambler, Gail Tildsley, Mark Jensen, Patty Stevens and Joyce Leuck.

Laura Hudd played a cello solo. Other cellists were Arne Groenings, Joyce Hudd and Anne Kalbfleisch. The program finale was a contralto solo by Pattie Marie Stevens accompanied by Beatrice Sherwood.

\$6,100 Voted for Crossroads Work

Improvement of the intersection at the Crossroads moved one step nearer realization recently when the State Highway Commission in San Francisco approved the plan outlined by Col. John H. Skeggs, district engineer of Division Four, State Division of Highways. They allocated \$6,100 for the project.

The intersection has been in a state of periodic improvement for the past few months, but engineers who surveyed it said a major change was needed.

Plans are to furnish four lanes to relieve congestion of cross traffic.

Canada del Hambre Group Formed

The Canada del Hambre Home Owners Association, Inc., has been formed to represent the property on the south side of Withers Avenue and including properties situated west of Pleasant Hill Road, south to and including Cherry Tract.

Purpose of the association is to preserve restrictions, values and improvements of this area.

All property owners in the described area will be contacted by the membership committee in the near future.

The present Board of Directors includes W. C. Glasson, Oliver Beckwith, Wendel Spackman, C. E. Brown, Barney Hedberg, C. M. Teigland, W. J. Matson, R. W. Kimball, J. M. Campbell, and N. Mainwaring.

Subsequent directors will be elected by a majority ballot at the annual meetings of the members.

Orinda Country Club Slate Full

With "formal" season for the Greek letter societies of University of California due to close this weekend, Orinda Country Club has been chosen as locale for a number of the affairs.

Zeta Tau Alpha's annual formal, attended by chapter members and alumni, was held at the club last Friday night, with many cocktail parties preceding the later dancing affair. Among party hosts were Mr. and Mrs. Carey Ramey, Mr. and Mrs. Len Mayrlich and Mr. and Mrs. Ernest Reichart.

Patrons for the evening were Messrs. and Mesdames J. S. Faulkner, Charles Arnold and Roger Amidon.

The sorority also celebrated with a banquet at Orinda Willows on Sunday. Mrs. Audrai Brennan, housemother, was honored guest. The first weekend of this month, Alpha Delta Pi sorority was among the first to open the formal season with their dance at the Country Club, with Delta Delta Deltas choosing the same locale for their later date affair.

This evening, Alpha Xi Delta members and guests will be among the groups closing the season, with their festivities also planned for Orinda Country Club.

Orinda Rotary Has Own Hymn

The Orinda Rotary may not be unique, but it is one of the few that has had a hymn specifically dedicated for its own use.

The original poem was written by R. E. Brown and the arrangement for the Orinda Rotary was by Lawrence F. Moore, Chapel of the Chimes, Oakland. Titled "Orinda Hymn," it is set to the tune of "America The Beautiful" in "B" Flat.

O, beautiful for sunny skies,
And hillside mantled green,
Where lovely trees lift up their boughs

In waving sylvan sheen.
Orinda, our beloved town,
God give thee power to bless
With health and hope and happiness,
Fair as thy loveliness.

O, beautiful for golden chains
Of duty to be done,
When race and creed meet human need,
And lo, their aims are one!
Orinda, our blessed country home,

God give thee light to see,
That burdens lift like clouds adrift,
When we find unity.

O town that highest thoughts inspire

To keep our growing wise,
And all the flame of high desire,
That kindles eager eyes,
Orinda, country home of ours,
God's strength and refuge be,
And may the good of brotherhood,
Command our loyalty.

Youth Art Center Exhibit at Orinda Tuesday Evening

The Children's Art Center of Orinda and the sponsoring members will hold their annual art exhibit Friday June 2nd from 7 to 8 p.m. at the Harrer residence, Seven Oaks Circle, Orinda. All art work displayed will be that created during the Saturday morning classes made up of talented Orinda children from the Orinda and Glorietta Schools. Tea will be served by the young artists.

The Art Center, created for the express purpose of assisting the more talented children in expressing their artistic abilities has proven a tremendous success. This coming exhibit of the children's artistic efforts should prove an interesting event. It has been emphasized by the Children's Art Center that all instruction the children receive is aimed at bringing out their own originality and creativeness.

Twice each year exhibitions are held at which time examples of the class members work is displayed for interested Orindans and friends.

TICKETS

Tickets to the exhibition of the children's art work may be obtained from any of the sponsoring members of the group. This group includes the Mesdames J. J. Buchter, R. R. Dunnigan, R. A. Stark, Stewart Kimball, E. F. Shirley, Kerry Keresey, E. H. Erikson, Kirk Miles, F. R. Devin, Nathan Gray, Stanley Allen, Jack Fraser, Kay McGuire, John Ratcliff, S. A. Ballard, C. F. Borden, George Clifford, Edward H. Buttler and Charles McDermott.

Sharps Planning To Visit Europe

Mr. and Mrs. James Sharp of Orinda will be hosts at a farewell cocktail party June 9 honoring Mr. and Mrs. Le Roy Krusi who are planning to sail to Europe on the new Swedish liner, Oslofjord, leaving New York June 27.

The Krusis, who will be accompanied on the trip by their two sons, George and Carlisle, and their daughter, Susan, are arranging to take their car to Europe for touring.

Oakland Banker Nabs Golf Crown

Byron Lewis, 39-year-old Oakland banker won the Down Town Merchants Association golf crown at the tourney held at the Orinda Country Club this week with a 74.

This was the 11th running of the meet. Incidentally he won the 1949 tourney with the same score.

There were 55 contestants.
